

What does Dinky Dancers offer...

...your Centre?

- The opportunity to provide children access to an exciting, unique, physical, creative and musical programme, carefully developed by Early Years' movement specialists.
- A proven, differentiated, themed, scheme of work.
- A certificated physical programme supporting the areas of Learning and Development that are the backbone of pre-school education and the EYFS.
- Ofsted friendly planning documentation
- The option to provide classes for children to enjoy independently, or together with carers.

- A positive partnership with a national provider of Dance, P.E, Music and Action Classes

...your children?

A physical and creative programme of activities that develops co-ordination, musicality and motor skills in a way that is unique, imaginative, energetic and most of all fun! We will transport the children into the Dinky Dancers' world using multi-sensory equipment.

Bean bags, feathers, ribbons, hoops, balls and parachutes, foster positive learning through creative and skill centered teaching. The opportunity to progress through the stepping stones of the Dinky Dancers' programme with a fully trained, experienced class leader.

Colourful themed certificates celebrate achievement.

.....parents?

Absolute assurance that we care about each child's development. The chance for their child to take part in an energetic, creative 'P.E and music' activity that is recognised as a first-class opportunity for safe physical, social and imaginative development as confidence grows. P.E and dance specialist classes inspire their child to learn new skills such as balance, rhythm, hand eye coordination, ball skills and physical fitness. Access to a thoughtfully packaged 'all-round' programme offering something for everyone to enjoy.

Frequently asked questions!

We already run our own in-house dance and music sessions.

How is Dinky Dancers different?

Dinky Dancers is a totally unique, creative movement, physical-education and music programme. Our classes follow an exciting, proven structure of warm-up, character dance, musical beginnings and action activities using multi-sensory equipment to provide a comprehensive creative experience.

Our classes are designed to compliment and consolidate your existing programmes. There really is nothing quite like Dinky Dancers!

What age groups do you teach?

Dinky Dancers classes are designed for 2-5 year olds and all schemes of work are planned to match with Early Years Foundation Stage guidelines. Our teachers differentiate lesson material to suit varied stages of ability and allow for individual progression within the class.

What will it cost us?

Dinky Dancers operates a variety of payment options which we hope will enable everyone to access our programmes. Course costs can be paid directly by the centre, or in part, or full, by the parents. For more information, please contact us for an information pack.

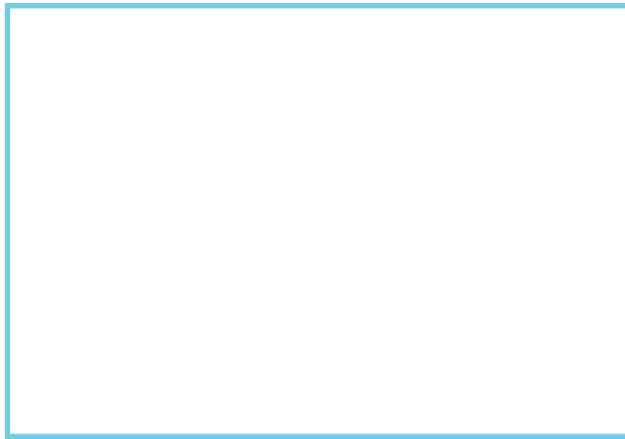

Can we try, before we buy?

Yes most certainly. If you are interested in having Dinky Dancers at your centre, then we will be happy to arrange a free demonstration class at a time to suit you.
